

Advanced Medical Spa Therapist Diploma

The Medical Spa Therapy & Esthetics Fields are Growing¹

Create Your Path to a Medical Spa Therapy & Esthetics Career

The Bryan College medical spa therapy and esthetics curriculum was developed by industry professionals to match job market needs and provide you with the hands-on training and support to help you successfully graduate.

Expanding Job Market

Careers for medical estheticians, estheticians, spa therapists, and laser technicians throughout Canada are expected to increase **13.7%** through the year 2033.¹

Bryan College can give you the education, skills, and confidence to qualify for a job in less than a year!

Career Opportunities

An Advanced Medical Spa Therapy (AMST) Diploma from Bryan College can put you on the path to varied job opportunities¹ in a rewarding field such as:

- Esthetician
- Medical Esthetician
- Medical Spa Therapist
- Laser Therapist
- Microdermabrasion Specialist
- Skin & Nail Care Technician
- Make-Up Artist
- Hair Removal Technician
- Body Care Therapist
- Esthetics School Instructor
- Spa Manager/Director

Diverse Employers

Medical spa therapy & esthetics professionals work in employment settings such as:

- Dermatologist Offices
- Skin Care Clinics
- Laser Care Facilities
- Medical Spas
- Plastic Surgeon Offices
- Day, Resort, or Destination Spas & Salons
- Cruise Ships

Put Your Skills to Work in a Real Medi-Spa Setting

At Bryan College, real-world experience is built into your education. You'll train in our Massage and Spa Therapy Clinic treating actual customers with equipment and products used in spas worldwide.

You'll complete a minimum of 40 hours of hands-on clinical work to elevate your skills in a real-world, professional setting, preparing you for a smooth transition into the workforce.

Set yourself apart by completing an additional 40 hours of hands-on, professional spa therapist training at no extra cost. By doing so, you'll earn an Advanced Esthetics Clinical Experience Certificate from Bryan College—a credential that showcases your professionalism, dedication, and readiness to excel in today's competitive job market.

Skills You Learn

At Bryan College, you'll gain the job-ready skills today's beauty industry demands—including hands-on training in multiple advanced treatment specialties.
